

Father of a King

(a prayer Joseph, the father of Jesus, might have prayed)

Oh God, I come before You now.
I want to ask You just how
To be a father to my King.
He seems so fragile laying there.
Please show me how You'll help me bear
The task of caring for my Saviour.

I keep Him safe yet He is my Rock.
I hold Him tight—He gives me strength.
How am I to lead my own Shepherd?
Next to my Lord I feel so small.
I need Your help; to You I call.
I pray I'll be a righteous father.

This joy untold, a sinner as I
could never imagine,
So I praise Your mighty power to raise perfection
through these foolish hands of mine.
I praise Your mighty power.
