

Sovereign Faithfulness

In shadows of Sheol
Your shimmering beauty keeps my soul.

When darkness all around me falls
You dispel the night
With Your light of shining grace.
Your embrace still finds me.

Your faithfulness endures forever!
Your loveliness endures forever!
Blessing and honor and glory and power
Be unto Your name, O LORD!

Though enemies encompass me
I rest within Your voice of majesty.

In You my heart will dance and cry
To magnify and extol Your holy name,
Glittering Your gladness.

As a father shows compassion to his children
So the Lord shows compassion to those who fear Him.
For He knows our frame;
He remembers we are dust, we are grass, we are fleeting.
But the steadfast love of the LORD
The steadfast love of the LORD
Is from everlasting to everlasting
On those who fear His name—
It's from everlasting to everlasting!
